SOUTHERN DISTRICT OF NEW YORK

CHRISTINE BOROVOY, an individual,
and on behalf of classes of similarly situated
individuals,

Plaintiff,

v.

SQUISHABLE.COM, INC., a New York
Corporation,

Defendant.

Case No. 1:23-cv-03660

**FINAL APPROVAL ORDER
AND JUDGMENT**

Before the Court is Plaintiff's Unopposed Motion for Final Approval of Class Action Settlement ("Motion for Final Approval"). The Motion seeks approval of the Settlement as fair, reasonable, and adequate. Also before the Court is Plaintiff's Motion for Attorneys' Fees, Costs, and Expenses to Class Counsel, and Service Award to Plaintiff ("Motion for Attorneys' Fees").

Having reviewed and considered the Settlement Agreement, Motion for Final Approval, and Motion for Attorneys' Fees, and having conducted a Final Fairness Hearing, the Court makes the findings and grants the relief set forth below approving the Settlement upon the terms and conditions set forth in this Order.

WHEREAS, on July 22, 2024, the Court entered an Order Granting Preliminary Approval of Class Action Settlement ("Preliminary Approval Order") (**Doc. No. 32**) which, among other things: (a) conditionally certified this matter as a class action, including defining the class and class claims, (b) appointed Plaintiff Christine Borovoy as the Class Representative and appointed Kiley Grombacher of Bradley Grombacher LLP and Mason A. Barney of Siri &

Glimstad LLP as Class Counsel; (c) preliminarily approved the Settlement Agreement; (d) approved the form and manner of Notice to the Settlement Class; (d) set deadlines for opt-outs and objections; (e) approved and appointed the Settlement Administrator; and (f) set the date for the Final Fairness Hearing;

WHEREAS, on August 21, 2024, pursuant to the Notice requirements set forth in the Settlement Agreement and in the Preliminary Approval Order, the Settlement Class was notified of the terms of the proposed Settlement Agreement, of the right of Settlement Class Members to opt-out, and the right of Settlement Class Members to object to the Settlement Agreement and to be heard at a Final Fairness Hearing;

WHEREAS, on February 6, 2025, the Court held a Final Approval Hearing to determine, *inter alia*: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate for the release of the claims contemplated by the Settlement Agreement; and (2) whether judgment should be entered dismissing this action with prejudice. Therefore, the Court is satisfied that Settlement Class Members were properly notified of their right to appear at the Final Fairness Hearing in support of or in opposition to the proposed Settlement Agreement, the award of attorneys' fees, costs, and expenses to Class Counsel, and the payment of a Service Award to the Class Representative;

WHEREAS, the Court not being required to conduct a trial on the merits of the case or determine with certainty the factual and legal issues in dispute when determining whether to approve a proposed class action settlement; and

WHEREAS, the Court being required under Federal Rule of Civil Procedure 23(e) to make the findings and conclusions hereinafter set forth for the limited purpose of determining whether the settlement should be approved as being fair, reasonable, adequate and in the best

interests of the Settlement Class;

Having given an opportunity to be heard to all requesting persons in accordance with the Preliminary Approval Order, having heard the presentation of Class Counsel and counsel for Defendant, having reviewed all of the submissions presented with respect to the proposed Settlement Agreement, having determined that the Settlement Agreement is fair, adequate, and reasonable, having considered the application made by Class Counsel for attorneys' fees, costs, and expenses, and the application for a Service Award to the Representative Plaintiff, and having reviewed the materials in support thereof, and good cause appearing:

IT IS SO ORDERED that:

1. The Court has jurisdiction over the subject matter of this action and over all claims raised therein and all Parties thereto, including the Settlement Class.
2. The Settlement involves allegations in Plaintiff's Class Action Complaint against Defendant for the alleged failure to implement or maintain adequate data security measures and safeguards to protect Personal Information, which Plaintiff alleges directly and proximately caused injuries to her and Settlement Class Members.
3. The Settlement does not constitute an admission of liability by Defendant, and the Court expressly does not make any finding of liability or wrongdoing by Defendant.
4. Unless otherwise indicated, words contained in this Order and Judgment Granting Final Approval of Class Action Settlement ("Final Order and Judgment") with initial capital letters have the same meaning as set forth in the Settlement Agreement.
5. The Court, having reviewed the terms of the Settlement Agreement submitted by the Parties pursuant to Federal Rule of Civil Procedure 23(e)(2), grants final approval of the Settlement Agreement and for purposes of the Settlement Agreement and this Final Order and

Judgment only, the Court hereby finally certifies the following Settlement Class:

All persons residing in the United States whose PII was involved in the Data Incident.

Furthermore, the Court certifies the following California Subclass:

All persons residing in the State of California whose PII was involved in the Data Incident.

Specifically excluded from the Settlement Class and California Subclass are (i) all Persons who timely and validly request exclusion from the Class; (ii) the Judge assigned to evaluate the fairness of this settlement; and (iii) any other Person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity occurrence of the Data Incident or who pleads *nolo contendere* to any such charge.

6. The Settlement was entered into in good faith following arm's length negotiations and is non-collusive. The Settlement is in the best interests of the Settlement Class and is therefore approved. The Court finds that the Parties faced significant risks, expenses, delays, and uncertainties, including as to the outcome, and on appeal, of continued litigation of this complex matter, which further supports the Court's finding that the Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class Members. The Court finds that the uncertainties of continued litigation in both the trial and appellate courts, as well as the expense associated with it, weigh in favor of approval of the settlement reflected in the Settlement Agreement.

7. The Settlement Agreement provides, in part, and subject to a more detailed description of the settlement terms in the Settlement Agreement, for:

- a. Settlement Administration as outlined in the Settlement Agreement whereby Settlement Class Members had the ability to submit claims that

were evaluated by a Settlement Administrator.

- b. Defendant to pay all costs of Settlement Administration, including the cost of the Settlement Administrator, instituting Notice, processing and administering claims, and preparing and mailing checks.
- c. Defendant to pay, subject to the approval and award of the Court, the reasonable attorneys' fees, costs, and expenses of Class Counsel and a Service Award to Class Representative.

The Court readopts and incorporates herein by reference its preliminary conclusions as to the satisfaction of Federal Rule of Civil Procedure 23(a) and (b)(3) set forth in the Preliminary Approval Order and notes that because this certification of the Settlement Class is in connection with the Settlement Agreement rather than litigation, the Court need not address any issues of manageability that may be presented by certification of the class proposed in the Settlement Agreement.

8. The terms of the Settlement Agreement are fair, adequate, and reasonable and are hereby approved, adopted, and incorporated by the Court. Notice of the terms of the Settlement, the rights of Settlement Class Members under the Settlement, the Final Fairness Hearing, Plaintiff's application for attorneys' fees, costs, and expenses, and the Service Award payment to the Class Representative have been provided to Settlement Class Members as directed by this Court's Orders, and proof of Notice has been filed with the Court.

9. The Court finds that the notice program, set forth in the Settlement Agreement and effectuated pursuant to the Preliminary Approval Order, was the best notice practicable under the circumstances, was reasonably calculated to provide and did provide due and sufficient notice to the Settlement Class of the pendency of the Action, certification of the

Settlement Class for settlement purposes only, the existence and terms of the Settlement Agreement, and their right to object and to appear at the final approval hearing or to exclude themselves from the Settlement Agreement, and satisfied the requirements of the Federal Rules of Civil Procedure, the United States Constitution, and other applicable law.

10. The Court finds that Defendant has fully complied with the notice requirements of the Class Action Fairness Act of 2005, 28 U.S.C. § 1715.

11. As of the Opt-Out deadline, zero (0) potential Settlement Class Members have requested to be excluded from the Settlement. Those persons are not bound by the Settlement Agreement and this Final Order and Judgment and shall not be entitled to any of the benefits afforded to the Settlement Class Members under the Settlement Agreement, as set forth in the Settlement Agreement.

12. Zero (0) objections were filed by Settlement Class Members. The Court has considered all objections and finds the objections do not counsel against Settlement Agreement approval, and the objections are hereby overruled in all respects.

13. All Settlement Class Members who have not objected to the Settlement Agreement in the manner provided in the Settlement Agreement are deemed to have waived any objections by appeal, collateral attack, or otherwise.

14. The Court has considered all the documents filed in support of the Settlement, and has fully considered all matters raised, all exhibits and affidavits filed, all evidence received at the Final Fairness Hearing, all other papers and documents comprising the record herein, and all oral arguments presented to the Court.

15. The Parties, their respective attorneys, and the Settlement Administrator are hereby directed to consummate the Settlement in accordance with this Final Order and Judgment

and the terms of the Settlement Agreement.

16. Pursuant to the Settlement Agreement, Defendant, the Settlement Administrator, and Class Counsel shall implement the Settlement in the manner and timeframe as set forth therein.

17. Within the time period set forth in the Settlement Agreement, the relief provided for in the Settlement Agreement shall be made available to the various Settlement Class Members submitting valid Claim Forms, pursuant to the terms and conditions of the Settlement Agreement.

18. Pursuant to and as further described in the Settlement Agreement, Plaintiff and the Settlement Class Members are deemed by operation of the Settlement Agreement and this Order to have forever fully, finally, completely, and unconditionally released, discharged, and acquitted Squishable and the Released Parties from any and all Released Claims as follows:

For purposes of this order, “Released Claims” shall collectively mean any and all claims and causes of action including, but not limited to, any causes of action arising under or premised upon any statute, constitution, law, ordinance, treaty, regulation, or common law of any country, state, province, county, city, or municipality, including 15 U.S.C. § 45, *et seq.*, and all similar statutes in effect in any states in the United States as defined below; state consumer-protection statutes including the California Unfair Competition Law; negligence; negligence *per se*; breach of contract; breach of implied contract; breach of fiduciary duty; breach of confidence; invasion of privacy; fraud; misrepresentation (whether fraudulent, negligent or innocent); unjust enrichment; bailment; wantonness; failure to provide adequate notice pursuant to any breach notification statute or common law duty; violation of the California Consumer Privacy Act; and including, but not limited to, any and all claims for damages, injunctive relief, disgorgement, declaratory relief or judgment, equitable relief, attorneys’ fees and expenses, pre-judgment interest, credit monitoring services, the creation of a fund for future damages, statutory damages, punitive damages, special damages, exemplary damages, restitution, and/or the appointment of a receiver, whether known or unknown, liquidated or unliquidated, accrued or unaccrued, fixed or contingent, direct or derivative, and any other form of legal or equitable relief that either has been asserted, was asserted, or could have been asserted, by any Class Member against any of the Released Persons based on, relating to, concerning or arising out of the alleged

Data Incident or the allegations, transactions, occurrences, facts, or circumstances alleged in or

otherwise described in the Litigation. Released Claims shall not include the right of any Class Member or any of the Released Persons to enforce the terms of the settlement contained in the Settlement Agreement, and shall not include the claims of any Person who has timely excluded themselves from the Class.

Upon the Effective Date, each Class Member, including Plaintiff, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims as against all Released Parties. Further, upon the Effective Date, and to the fullest extent permitted by law, each Class Member, including Plaintiff, shall, either directly, indirectly, representatively, as a member of or on behalf of the general public or in any capacity, be permanently barred and enjoined from commencing, prosecuting, or participating in any recovery in any action in this or any other forum (other than participation in the settlement as provided herein) in which any of the Released Claims is asserted. Further, upon the Effective Date, each Class Member, including Plaintiff, shall be deemed to have, and by operation of the Judgment shall have expressly waived California Civil Code § 1542, and any and all provisions, rights, and benefits conferred by any law of any state, province, or territory of the United States which is similar, comparable, or equivalent to California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Any other claims or defenses Plaintiff and each and all of the Class Members may have against Defendant that are not based upon or do not arise out of the institution, prosecution, assertion, settlement, or resolution of the Data Incident, the Litigation, or the Released Claims are specifically preserved and shall not be affected by the preceding sentences.

21. The Court grants final approval to the appointment of Plaintiff Christine Borovoy as Class Representative. The Court concludes that the Class Representative has fairly and adequately represented the Settlement Class and will continue to do so.

22. Pursuant to the Settlement Agreement, and in recognition of her efforts on behalf of the Settlement Class, the Court approves a payment to the Class Representative in the amount

of \$1,500.00 as a Service Award. Such payment shall be made by Squishable in accordance with the terms of the Settlement Agreement.

23. The Court grants final approval to the appointment of Kiley Grombacher of Bradley Grombacher LLP and Mason A. Barney of Siri & Glimstad LLP as Class Counsel. The Court concludes that Class Counsel has adequately represented the Settlement Class and will continue to do so.

24. The Court, after careful review of the fee petition filed by Class Counsel, and after applying the appropriate standards required by relevant case law, hereby grants Class Counsel's application for attorneys' fees in the amount of \$95,000.

25. This Final Order and Judgment and the Settlement Agreement, and all acts, statements, documents, or proceedings relating to the Settlement Agreement are not, and shall not be construed as, used as, or deemed to be evidence of, an admission by or against Defendant of any claim, any fact alleged in the Litigation, any fault, any wrongdoing, any violation of law, or any liability of any kind on the part of Defendant's or of the validity or certifiability for litigation of any claims that have been, or could have been, asserted in the lawsuit. This Final Order and Judgment, the Settlement Agreement, and all acts, statements, documents, or proceedings relating to the Settlement Agreement shall not be offered or received or be admissible in evidence in any action or proceeding, or be used in any way as an admission or concession or evidence of any liability or wrongdoing of any nature or that Plaintiff, any Settlement Class Member, or any other person has suffered any damage; provided, however, that the Settlement Agreement and this Final Order and Judgment may be filed in any action by Defendant, Class Counsel, or Settlement Class Members seeking to enforce the Settlement Agreement or the Final Order and Judgment (including, but not limited to, enforcing the releases

contained herein). The Settlement Agreement and Final Order and Judgment shall not be construed or admissible as an admission by Defendant that Plaintiff's claims or any similar claims are suitable for class treatment. The Settlement Agreement's terms shall be forever binding on, and shall have *res judicata* and preclusive effect in, all pending and future lawsuits or other proceedings as to Released Claims and other prohibitions set forth in this Final Order and Judgment that are maintained by, or on behalf of, any Settlement Class Member or any other person subject to the provisions of this Final Order and Judgment.

26. If the Effective Date, as defined in the Settlement Agreement, does not occur for any reason, this Final Order and Judgment and the Preliminary Approval Order shall be deemed vacated, and shall have no force and effect whatsoever; the Settlement Agreement shall be considered null and void; all of the Parties' obligations under the Settlement Agreement, the Preliminary Approval Order, and this Final Order and Judgment and the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated *nunc pro tunc*, and the Parties shall be restored to their respective positions in the Litigation, as if the Parties never entered into the Settlement Agreement (without prejudice to any of the Parties' respective positions on the issue of class certification or any other issue). In such event, the Parties will jointly request that all scheduled Litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Party or Party's counsel. Further, in such event, Defendant will pay amounts already billed or incurred for costs of notice to the Settlement Class, and Claims Administration, and will not, at

any time seek recovery of same from any other Party to the Litigation or from counsel to any other Party to the Litigation.

27. Pursuant to *Kokkonen v. Guardian Life Ins. Co. of Am.*, 511 U.S. 375, 382, 114 S. Ct. 1673, 1677, 128 L. Ed. 2d 391 (1994) and the parties' agreement, this Court shall retain the authority to issue any order necessary to protect its jurisdiction from any action, whether in state or federal court.

28. Without affecting the finality of this Final Order and Judgment, the Court will retain jurisdiction over the subject matter and the Parties with respect to the interpretation and implementation of the Settlement Agreement for all purposes.

29. This Order resolves all claims against all Parties in this action and is a final order.

30. The matter is hereby dismissed with prejudice and without costs except as provided in the Settlement Agreement.

SO ORDERED THIS 7 DAY OF February, 2025.

Hon. Ronnie Abrams
United States District Court Judge
